Team Handball Rules the Planet!

It is an Olympic Sport for all. The program, led by former USA National Team Coach, is a great way for young children to be introduced to a fantastic sport, experience fun introductory games and ball handling activities focused on development of key motor skills (running, jumping, throwing, passing), special awareness, eye-hand coordination, creativity, and spontaneity in a safe, positive, and enjoyable atmosphere. Your kids will burn tons of calories, make new friends, and beg you to keep coming for more!
